TREKKEN ADULTS PLUS

COMPLETE AND BALANCED DOG FOOD
FOR ADULT DOGS

Technical Information

ADULTS PLUS

COMPLETE AND BALANCED DOG
FOOD FOR ADULT DOGS

INGREDIENT LIST

Corn, gluten meal, chicken by-product meal, chicken oil, beet pulp, rice, whole soybeans, hydrolyzed meat and chicken protein, refined beef fat, fish oil (a source of essential Omega-3 and Omega-6 fatty acids), brewer’s yeast, fish meal, dehydrated whole-egg powder, fructooligosaccharides, sodium hexametaphosphate, vitamins A, D3, E, K, B1, B2, B6, and B12, calcium pantothenate, niacin, folic acid, biotin, choline, sodium chloride, zinc oxide, organic zinc, copper sulfate, manganese oxide, ferrous sulfate, sodium selenite, cobalt carbonate, calcium iodate, lysine, methionine, and antioxidants (BHT and BHA).

PERCENTAGE COMPOSITION
(On an as-is basis)

Minimum crude protein	24.0 %	
Minimum crude fat	12.0 %	
Omega-3: Linolenic acid:		0.1 %
Omega-6: Linolenic acid:		2.6 %
Maximum crude fiber		4.5 %
Maximum total minerals		9.0 %
Maximum moisture		12.0 %
Minimum and maximum calcium	0.8 %	2.2 %
Minimum and maximum phosphorus	0.6 %	1.4 %

CALORIE CONTENT: Metabolizable Energy: 3,650 kcal/kg of dry matter

DIRECTIONS FOR USE

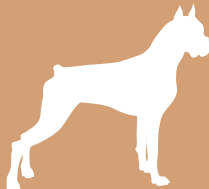

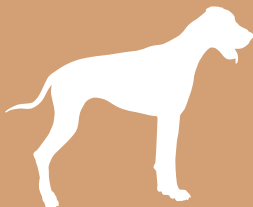

Daily feeding amounts should be adjusted according to your dog’s activity level, age, and breed.

For pregnant or nursing dogs, the feeding amount should be adjusted as directed by your veterinarian.

We also recommend dividing the daily amount into two or three meals. The food may be served dry or moistened with warm water or broth.

Energy requirements (kcal) have been calculated based on the amount of energy an animal needs to maintain normal bodily functions and engage in moderate activity in a temperate climate.

FEEDING GUIDE

DOG BREED		ESTIMATED ADULT BODY WEIGHT (KG)	DAILY FEEDING AMOUNT IN			
			GRAMS		CUPS	
			Min.	Max.	Min.	Max.
TOY		0.4 - 2.6	20	65	1/4	2/3
		2.6 - 5.5	65	110	2/3	1
SMALL		5.5 – 13	110	180	1	1 3/4
		13 – 16	180	250	1 3/4	2 1/2
MEDIUM		16- 21	250	320	2 1/2	3 1/4
		21- 26	320	400	3 1/4	4
		26- 31	400	420	4	4 1/4
LARGE		31- 41	420	520	4 1/4	5 1/4
		41- 51	520	620	5 1/4	6 1/4
GIANT		51- 61	620	720	6 1/4	7 1/4
		61-71	720	800	7 1/4	8
		+ de 71	800 g. +15 g. for every additional 5 kg of body weight		8 + 1/6 every additional 5 kg of body weight	

Note: One full cup (220 mL) is approximately equivalent to 100 g of TREKKEN ADULTS PLUS.

DIGESTIVE SYSTEM

IMPROVES BOWEL TRANSIT
AND NUTRIENT ABSORPTION

The dietary fiber and prebiotics added to this food help improve bowel transit and nutrient absorption.

SKIN AND COAT

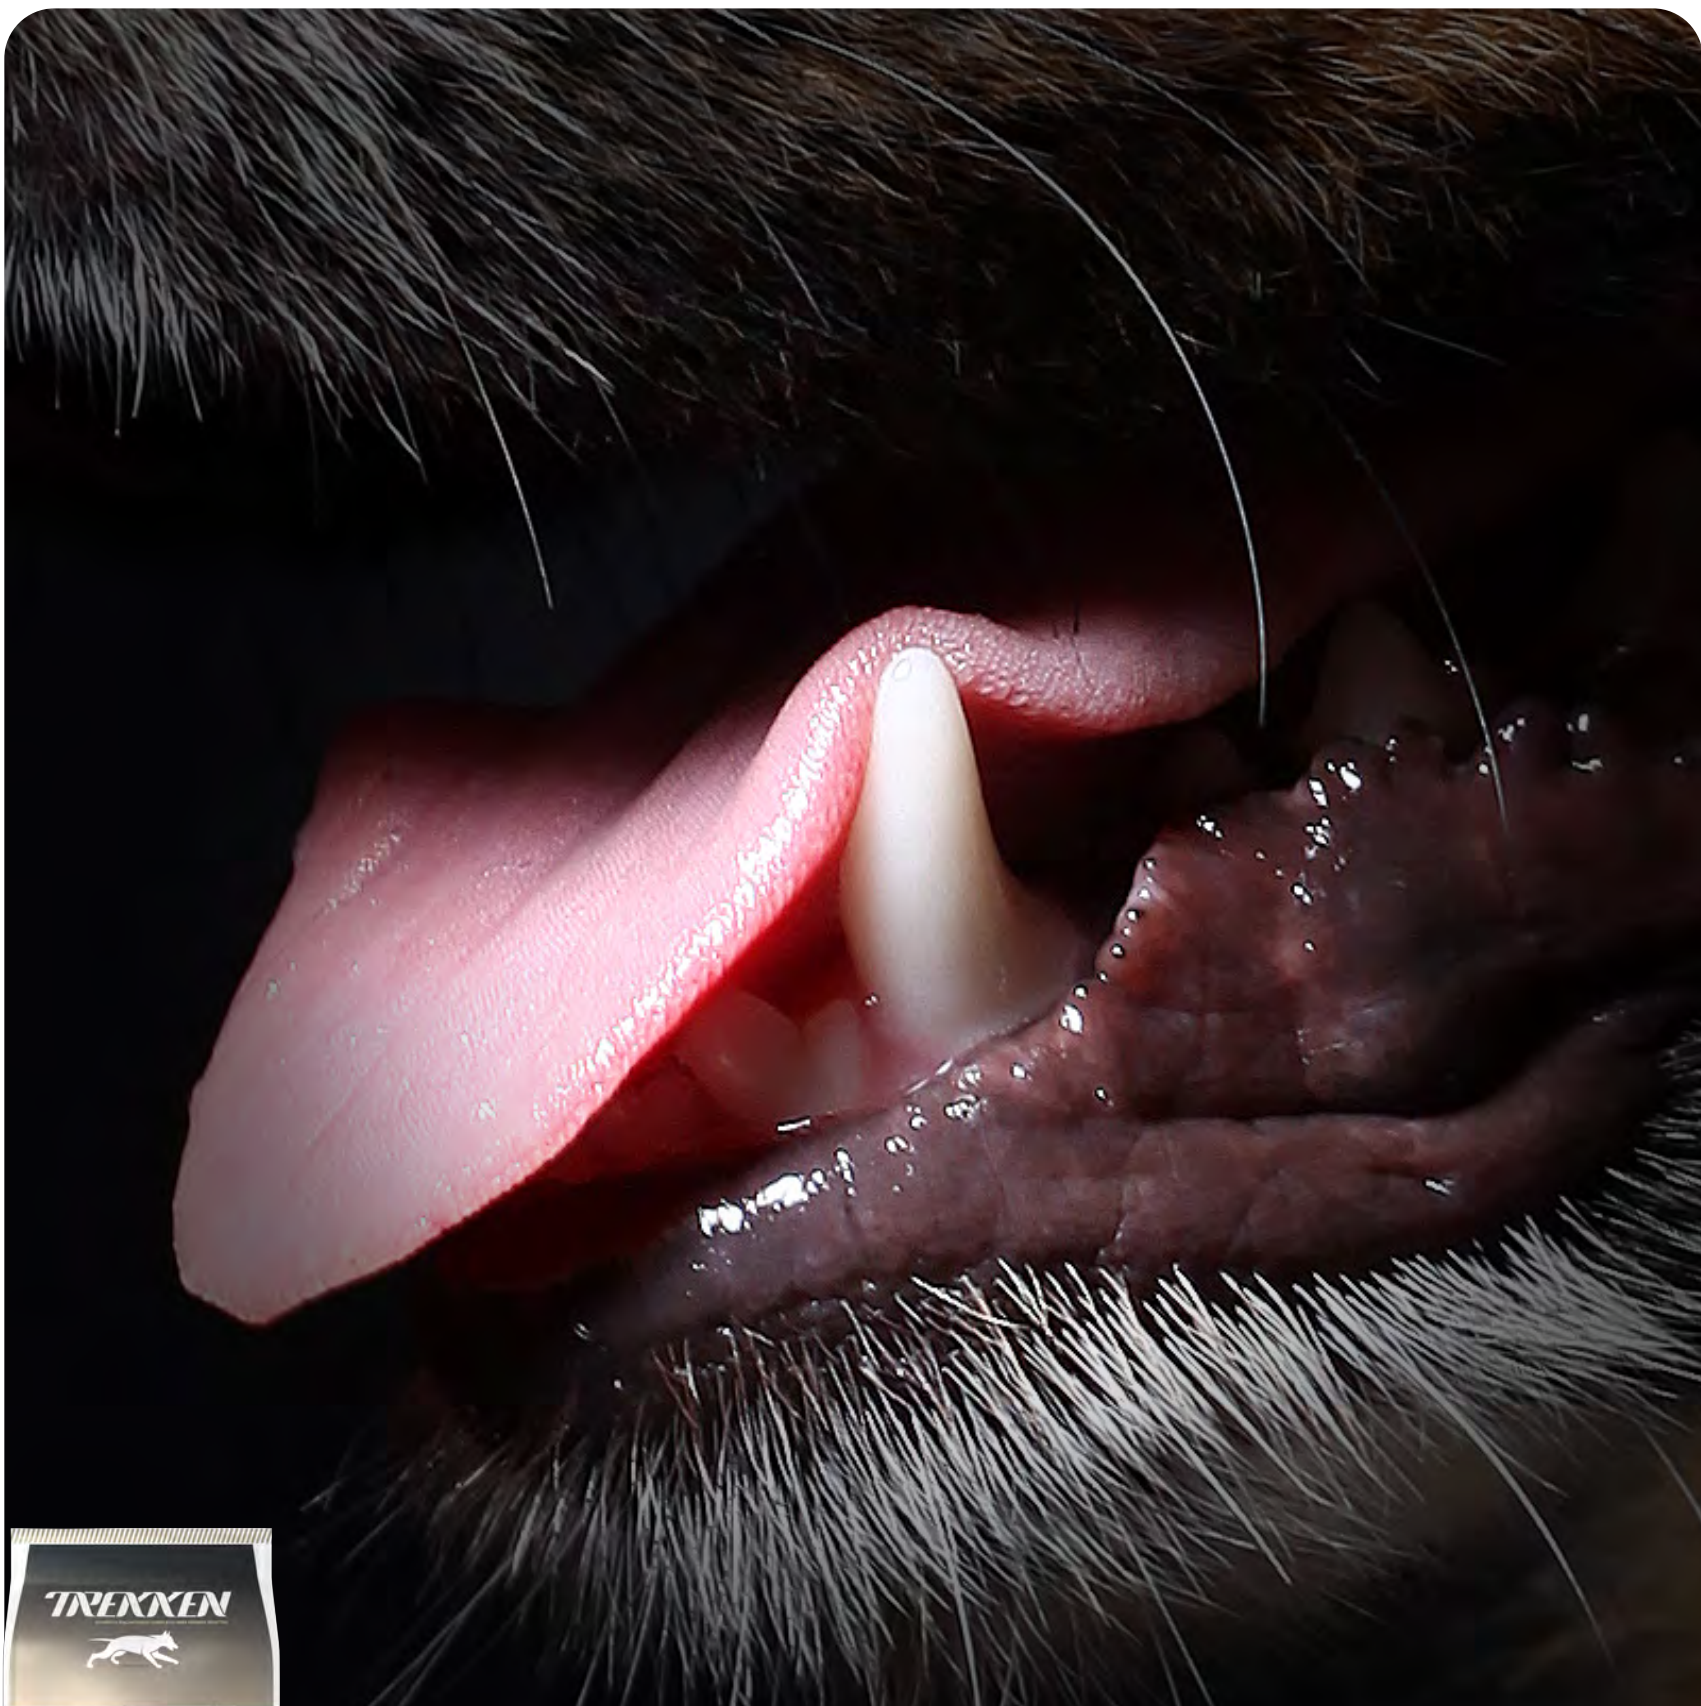

HELPS MAINTAIN HEALTHY
SKIN AND COAT

The appropriate balance of essential Omega-3 and Omega-6 fatty acids, combined with vitamin A, organic zinc, and copper, helps maintain healthy skin and coat.

HEALTHIER TEETH

HELPS REDUCE DENTAL PLAQUE
AND TARTAR FORMATION

Contains calcium hexametaphosphate, which helps reduce dental plaque and limit tartar formation.

Trekken Adults Plus is a complete and balanced dog food. It is formulated with top-quality ingredients and contains no artificial colors, as these provide no nutritional benefit to your pet. Trekken Adults Plus supports a full, healthy life with complete nutrition and a delicious taste your dog will love. All the nutrition your dog needs, with no additional supplements required. Plus, the shape and texture of Trekken Adults Plus kibble encourage chewing and help support oral health. Trekken Adult Plus contains FOS (fructo-oligosaccharides), naturally occurring compounds found in certain vegetables. Studies have shown that FOS helps increase fecal counts of beneficial bacteria, including lactobacilli and bifidobacteria, supporting a healthy intestinal microbiota. Not only does Trekken Adults Plus contain an appropriate ratio of soluble to insoluble dietary fiber to support healthy digestion and nutrient absorption, but it also provides a balanced combination of essential Omega-6 and Omega-3 fatty acids, with fish oil as a source of Omega-3.

HELPFUL TIPS

Keep the package tightly closed and store it in a cool, dry place. Regular consultation with your veterinarian is important. Always provide fresh, clean water. Water should be available at all times. Use this food before the expiration date.

PRODUCT STORAGE CONDITIONS

Store the food in its original packaging in a cool, dry place and keep it off the floor. DO NOT USE THIS PRODUCT TO FEED CATTLE, SHEEP, GOATS, OR OTHER RUMINANTS.

Note: One full cup (220 mL) is approximately equivalent to 100 g of TREKKEN PUPPIES PLUS.

DIGESTIVE SYSTEM

The dietary fiber and prebiotics added to this food help improve bowel transit and nutrient absorption.

SKIN AND COAT

The appropriate balance of essential Omega-3 and Omega-6 fatty acids supplied by fish oil, combined with vitamin A, organic zinc, and copper, helps maintain healthy skin and coat.

IMMUNE SYSTEM

An appropriate combination of amino acids, essential fatty acids, vitamin E, and selenium helps support the puppy's natural defenses.

HEALTHY BONE AND JOINT DEVELOPMENT / OPTIMAL SKELETAL DEVELOPMENT

Vitamins A and D, together with macro- and trace minerals such as calcium, phosphorus, magnesium, and copper, support healthy bone development in puppies.
